

REMARKS

By the present amendment, the claims are amended to omit their multiple dependency and for several minor matters of form. Claims 7 and 9-11 are cancelled and claims 23-25 are added. Support for claim 23 may be found in original claim 6 while support for claims 24 and 25 may be found in original claim 10. It is believed that these changes do not involve any introduction of new matter, whereby entry is believed to be in order and is respectfully requested.

Respectfully submitted,
